WELCOME TO A PRIVILEGED LOCATION

With over 300 days of sunshine a year, Murcia is the perfect place for one of the best tourism and sport resorts in Europe. Discover La Manga Club, on the southeast coast of Spain. Surrounded by a national park, La Manga Club is close to Cartagena, an ancient city of unique cultural and historical interest, as well as the Mediterranean Sea and the Mar Menor.

This incredible setting not only means that La Manga Club is within easy reach of a number of beaches, but also blesses the resort with average temperatures of 19°C. The surrounding area is full of attractions, including the Calblanque and Monte de las Cenizas Natural Park, and Cabo de Palos, an internationally recognised marine reserve.

LA MANGA CLUB ENJOYS EXCELLENT AIR CONNECTIONS

An extensive network of roads connects La Manga Club to other cities in the area and the rest of Spain. In addition, the local airports of San Javier (only 30 km away and offering 70% of the flights to the UK and Ireland) and Alicante (less than 100 km away and offering regular flights to the rest of Europe and some international destinations) make it easy to arrive and depart from Spain.
